

Modern Slavery Policy

Introduction

Apex Resources Ltd is committed to eliminating modern slavery, human trafficking, forced labour, and similar human rights abuses.

1. The organisation is committed to ensuring that its staff and any workers it supplies (directly or indirectly) are not subject to behaviour or threats that may amount to modern slavery, human trafficking, forced labour, and similar human rights abuses.

The organisation provides appropriate training and awareness information for all of its staff. In particular:

All of our staff receive awareness-raising information around issues involving modern slavery and human trafficking, so that they can bring any concerns they have to the attention of management.

2. Any staff, workers or other parties are strongly encouraged to report any concerns or suspicions that they might have to Director, Herold Brady.
3. Reports surrounding these issues are taken extremely seriously by our directors and senior leadership team who are committed to ensuring that all investigations shall be prompt and effective. If our investigations reveal any issues, we are committed to taking appropriate action, including but not limited to:
 - Removing that organisation from our preferred supplier list,
 - Passing details to appropriate law enforcement bodies.
4. We regularly monitor our risks in this area through the use of relevant key performance indicators, including
 - The percentage of [workers and/or candidates] supplied from audited businesses / our preferred supplier list,
 - The amount of time spent on audits, re-audits, spot checks, and related due diligence, and
 - The level of modern slavery training and awareness amongst our staff.
5. As part of our efforts in this area, we review and publish this policy annually and ensure it complies with the Modern Slavery Act 2015.

6. We would also recommend reading this in conjunction with our other policies, including our:

- Anti-bribery / corruption policy, and
- Equal opportunities and Diversity Policy
